

## CAREER PROFILE

Passionate, responsible and committed software engineer, with a get-it-done, on-time spirit.

Skilled in all phases of the software development lifecycle; expert in translating business requirements into technical solutions.

Good practices advocate. Avid reader and learner. Enthusiastic team player. Interested in knowing things :).

Proud active member of various open source groups (like GrUsP, PUG Roma and PUG London).

## LATEST EXPERIENCES

### Software Engineer Team Lead

03/2017 - present

Flypay, London

As a Software Engineer Team Lead, I actively participated to architectural design, development and support of a number of in-house and client based applications, utilizing mainly PHP, NodeJs, Typescript.

I provided technical expertise and organizational skills to a team of developers introducing new standards of quality in code development, improving testing methodologies as well as modelling practices.

I significantly contributed to the overall awareness of the team about technical debt, proposing, explaining and justifying solutions to practically reduce it.

Wide usage of AWS tools considering business needs and requirements.

Responsbile for internal recruiting.

#### Main technologies and practices used:

- PHP 7
- Typescript
- Node JS
- Domain Driven Design
- TDD
- Symfony 3
- Slim
- Docker
- Rest Api
- AWS
- Pair programming
- Kanban/Scrum

### Software Engineer

01/2016 - 03/2017

LendInvest, London

Collaborate with developers, QA, product owners in an AGILE environment to release a new, enhanced web application for the financial market.

Faced many challenges to optimise performance and scalability. Integrate many third party system considering interchangeability (loose coupling) and reliability.

Helped debug and resolve critical software issues reported daily with rapid turnaround.

#### Main technologies and practices used:

- PHP 7
- Symfony 3
- Doctrine
- Docker
- Rest Api
- Microservices architecture
- AWS
- Domain Driven Design (DDD)
- TDD
- CQS
- JIRA for management of stories and tasks
